Frequently Asked Questions

1. Does the material expire? Our material does not expire!

2. Is there an included NBDHE review app? We have over 6,000 questions including case studies in our mobile app that are Included with every package. (Over \$80 value)

3. What is the price? We are the least expensive board review seminar available online or in person!

4. How many hours/days of review are included for the live stream or in-person seminar? We offer three FULL days of Board review, reviewing all content.

5. How many pages of content are included in the review book? We have nearly double the number of pages of study content in FULL color with pictures and BOARD ALERTS!

6. How many review questions are in the textbook, and do they include rationales? Of all the other NBDHE review methods available, our textbook includes nearly 2-3 times the number of practice questions which are all interactive and with rationales.
